October 11<sup>th</sup>, 2017

Dear Community Business Owner:

St. Teresa of Calcutta Catholic School is having its annual "Move-a-Thon" on Tuesday, October 31<sup>st</sup>, 2017. With support from businesses such as yours in the community, we will be able to raise money to purchase materials to help support various school goals.

All students from JK-8 will be participating. It will be held in the gymnasium for Grades 1-8. The JK/SK classes will do their "moving" in their classroom.

At this point in time, we are seeking sponsors within our community who are able to donate incentive prizes for the participants. We are also interested in possibly purchasing or having donated "large" items for grand prizes. If you are able to assist us in the donation of prizes, please contact the school as soon as possible. Your consideration is greatly appreciated.

Thank you for your continued support and we look forward to hearing from you.

Sincerely,

P. Codispodi  
Principal  
St. Teresa of Calcutta Catholic Elementary School
