The list of Works Cited section is always located at the end of the paper.

Remember the following guidelines:

- Start the list of Works Cited on a new page at the end of your text.
- The list is alphabetical by the author's last name, or by the title if there is no author.
- Capitalize every important word of the title.
- Titles are in italics.
- Indentation: Each entry in the list of Works Cited is flush with the left margin but any subsequent lines are indented 5 spaces from the left margin.

All the entries are double-spaced.
